

Vero Beach High School Band Chaperone Guidelines

To a great degree, the success of the band is dependent on the level of involvement and the dedicated support of parents and other volunteers who are willing to devote their time and service to the band. Selected parents, faculty, and certain community members will act as chaperones at band activities.

The coordination of volunteers to chaperone will be the responsibility of the Chaperone Coordinator(s), who will compile a list of volunteers for each band activity and submit the list for approval of the Band Director(s). Chaperones for overnight trips will be coordinated by the Band Director(s). The selection and coordination of chaperones is a Vero Beach High School responsibility and is not under the auspices of the band booster organization, however, it is strongly suggested that all chaperones be members of the "Fighting Indians Band Boosters, Inc."

Anyone who volunteers to chaperone accepts certain responsibilities and will be expected to perform duties as appropriate to the specific situation and event. Persons chaperoning are required to have on file with VBHS the IRCSB School Volunteer Registration Form. This form will provide for important insurance coverage while serving in this capacity. Persons chaperoning overnight events must be fingerprinted by the IRCSB. Rules and guidelines will be established by the Band Director(s) with the safety and welfare of the band members in mind.

General Rules and Responsibilities of Chaperones

1. Report on time. This is usually 30 minutes prior to the student report time for an activity. A longer more detailed briefing will be held in advance of overnight trips. Assignments will be made at this time by the Coordinator(s). Please turn in your Chaperone Badge at the end of the activity. Please wear an official Chaperone Shirt or Band Parent Shirt, black pants or at least knee length shorts and comfortable shoes. In the event chaperones are not able to provide a chaperone or band shirt, please make arrangements with the Coordinator(s) ahead of time to either borrow a shirt or at least wear a solid red shirt of some sorts to the event. Shirts can be purchased at Scott's Sporting Goods. For certain special events such as State Concert Festival, "Sunday Dress" wear will be requested.
2. Chaperones must be available to the band at all times. Chaperones are on duty for the entire event they are chaperoning and for overnight activities, technically 24 hours per day.
3. The "Golden Rule" of chaperoning... "If the students can't do it, chaperones can't do it. Also, "don't do for one student what you can't do for all students".

4. Chaperones must comply with all VBHS, IRC SB, and VBHS Band policies including those regarding the prohibition of the use of alcohol, tobacco, and appropriate language.
5. The authority of chaperones is limited to general supervision of students and to guide and assist the students with safety and appropriate behavior. If you have a problem with any student not following directions or showing respect, report to the chaperone Coordinator(s) who will see the Band Director(s) immediately. **All discipline problems will be handled by the Band Director(s).**
6. If a student becomes ill enough (in the opinion of the chaperone) to warrant medical attention or calling his/her parents, the Band Director(s) and the Chaperone Coordinator(s) are to be informed of the situation immediately. **The Band Director(s) will be responsible for contacting and discussing the problem with the parents.**
7. Please be reminded that your children who are not band members are not to be brought with you when you chaperone. Guests are also not permitted;

Closing Remarks

It is the desire of the Band Directors and the Fighting Indians Band Boosters that a large number of parents be involved in the active support of the VBHS Band whether through chaperoning, participating in fundraisers, or just attending a performance. There is a direct link to the success of students and the involvement of the parent. We welcome all parents to be as active as their time will allow. If for any reason anyone should have a comment (positive or otherwise) or a concern regarding any aspect of the chaperone program or other related matters, please call the band office and speak directly with one of the band directors.
